

INDIANA'S TELEPHONE PRIVACY LAW SHOULD REMAIN UNCHANGED. SINCE IT'S ENACTMENT OUR HOME LIFE HAS BEEN LESS STRESSFUL. WE USED TO RECEIVE 6 TO 10 PHONE SALES CALLS PER DAY. CALLS WERE RECEIVED ALL DAY INCLUDING EARLY MORNING AND UP TO 10:00 P.M. AT NIGHT. THE CALLERS WERE RUDE AND PUSHY AND WE USUALLY HAD TO HANG UP ON THEM. MY HUSBAND IS NOT WELL AND THE CALLS DISTURBED HIS REST. WE OFTEN HAD TO TURN THE RINGER OFF ON THE PHONE SO HE COULD SLEEP. HOWEVER, THEN WE MISSED CALLS WE NEEDED TO RECEIVE. DO NOT BEGIN A PROGRAM THAT WILL CHANGE THE PROGRAM INDIANA ALREADY HAS IN PLACE.
